APPLICATION CHECKLIST

For a Non-Exempt Agricultural Well

1. The name and mailing address of the applicant/registrant and, if different, the owner of land on which the well is or will be located.
2. If the applicant is other than the owner of the property, documentation establishing the applicable authority to construct and operate a well for the purposed use.
3. A statement of the nature and purpose of the proposed use and the amount of water to be used for each purpose.
4. A water conservation plan or a declaration that the application will comply with the district's management plan.
5. The location of each well and the estimated rate at which water will be withdrawn.
6. A water well closure plan or a declaration that the applicant will comply with well plugging guidelines and report closure to the commission.

7. A drought contingency plan.
8. The drilling, lithologic or geophysical log(s) prepared during the drilling of the subject well.
9. Identification of the aquifer(s) from which water will be produced and the screening or perforation interval(s).
10. a completion record showing the depth of the well(s), the casing diameter, type and setting, and the perforated interval(s).
11. The date proposed drilling operations are to commence for a new well(s), or the date on which the well(s) was completed for an Existing Well.
12. An acknowledgment by the applicant/registrant that required information will be furnished to the District by the applicant/registrant upon completion of the well(s) and prior to production of water therefrom.

Applicant's Sworn Statement

I hereby swear and affirm that the information given herein is true and accurate to the best of my knowledge and belief, and that I am aware of, knowledgeable of, and will comply with all District Rules.
