

2021 Notice of Tax Rates Supporting Surface Water Drainage & Flood Control Activities in Plum Creek Conservation District

Property Tax Rates in Plum Creek Conservation District. This notice concerns the 2021 property tax rates relating to relating to surface water drainage and flood control activities for Plum Creek Conservation District. This notice provides information about two tax rates. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value

This year's no-new-revenue tax rate: \$0.019900/\$100

This year's voter-approval tax rate: \$0.0206/\$100
