NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.0205 per \$100 valuation has been proposed by the governing body of Plum Creek Conservation District.

PROPOSED TAX RATE	\$0.0205 per \$100
NO-NEW-REVENUE TAX RATE	\$0.0199 per \$100
VOTER-APPROVAL TAX RATE	\$0.0206 per \$100

The no-new-revenue tax rate is the tax rate for the 2021 tax year that will raise the same amount of property tax revenue for Plum Creek Conservation District from the same properties in both the 2020 tax year and the 2021 tax year.

The voter-approval rate is the highest tax rate that Plum Creek Conservation District may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Plum Creek Conservation District is proposing to increase property taxes for the 2021 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 21, 2021 at 1:00 PM at PCCD Office Building, 1101 W. San Antonio St., Lockhart, TX.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Plum Creek Conservation District is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Elections Administrator in the Elections Department of Plum Creek Conservation District at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
