

Plum Creek Conservation District

PUBLIC HEARING NOTICE

PROPOSED GROUNDWATER MANAGEMENT PLAN

The Plum Creek Conservation District will hold a public hearing on the proposed Groundwater Management Plan.

The Hearing on the proposed Groundwater Management Plan will be held at:

10:00 A.M.
Friday, January 13, 2023
1101 West San Antonio St.
Lockhart, Texas 78644

The proposed Groundwater Management Plan addresses the following management goals:

1. Providing the Most Efficient Use of Groundwater
2. Controlling and Preventing Waste of Groundwater
3. Controlling and Preventing Subsidence
4. Addressing Conjunctive Surface Water Management Issues
5. Addressing Drought Conditions
6. Addressing Natural Resource Issues That Impact the Use and Availability of Groundwater and Which are Impacted By the Use of Groundwater
7. Addressing Conservation, Recharge Enhancement, Rainwater Harvesting, Precipitation Enhancement, or Brush Control where appropriate and cost-effective
8. Mitigation & Desired Future Conditions of Groundwater Resources
9. Addressing the Desired Future Conditions established under TWC §36.108
10. Alternative Supply

Copies of the Proposed Groundwater Management Plan are available at the Plum Creek Conservation District's office and are posted on the District's web site: www.pccd.org. Written or oral comments may be submitted during the hearing or sent in advance to 1101 West San Antonio St., Lockhart, Texas 78644.
