

NOTICE OF PUBLIC HEARING

Notice is given that a **Public Hearing** by the Plum Creek Conservation District will be held at the District office located at 1101 W. San Antonio, Lockhart, TX 78644 on **Tuesday, May 26th, 2026, at 9:00 AM** for the following purpose:

Groundwater Management Area 10 Proposed Desired Future Conditions and Relevant Aquifer Designations

At an open meeting of the **Groundwater Management Area 10 Joint Planning Committee** (GMA-10) held on April 27, 2026 and attended by representatives from the following groundwater conservation districts located wholly or partially within Groundwater Management Area 10: Edwards Aquifer Authority, Medina County Groundwater Conservation District, Uvalde County Underground Water Conservation District, Plum Creek Conservation District, Barton Springs/Edwards Aquifer Conservation District, Comal Trinity Groundwater Conservation District, and Kinney County Groundwater Conservation District; GMA-10 considered and adopted the following Proposed Desired Future Conditions (DFCs) for GMA-10 regional groundwater planning purposes:

Groundwater Management Area 10 Proposed Desired Future Conditions and Relevant Aquifer Designations

Saline Edwards - GMA-10 Northern Subdivision

No more than 75 feet of regional average potentiometric surface drawdown due to pumping when compared to pre-development conditions through 2080.

Trinity - Plum Creek GCD Only

Average drawdown in the Trinity Aquifer across the District from the end of the year 2018 shall not exceed 16 feet by the year 2080.

Members of the public are invited to attend and provide oral comment, testimony, and/or submit other documentation and information relevant to the Proposed DFCs and Relevant Aquifer Designations to the Board of Directors at this Public Hearing.

If unable to attend the Public Hearing, members of the public are invited to submit written comments, testimony, and/or other documentation and information relevant to the Proposed DFCs and Relevant Aquifer Designations via the U.S. Postal Service, hand delivery to the District Office or via email as described below.

GMA-10 has prepared standardized Public Comment Forms to help you organize and substantiate your submission. This form is available at the address above or on our website at www.pccd.org.

The Public Comment period runs from April 29th, 2026 through July 27th, 2026.

The District will prepare a report of any relevant comments received at the Public Hearing and attach any written comments, testimony, and/or other documentation and information relevant to the Proposed DFCs and Relevant Aquifer Designations received through July 27th, 2026. This report and attachments will be provided to the GMA-10 Committee for their review, consideration, and incorporation into the DFC decision-making process.

Questions or requests for additional information may be submitted to:

Daniel Meyer
